If you have any students entering on more than one instrument such as (Alto/Tenor/Bari Sax) OR Alto Clarinet/Bass Clarinet, then list their name below and indicate their first choice. Please list all the instruments that the student is auditioning on & then indicate their preference by circling or numbering. Even if the student is not sure about their first choice right now, we will at least know in the office to check with the director or student at the tryouts. Hopefully, this will make things run a little smoother.
