The band boosters will be running our concession stand throughout the auditions. This will include breakfast and lunch. Please let your students know that there will be food for them throughout the day. We will have fresh bananas, breakfast croissants, and Minute Maid orange juice for the morning crowd. We will also have soft pretzels, barbecue sandwiches, pizza, hot dogs, nachos with or without chili, and Frito pie; and, of course, popcorn, candy, chips, pickles, coffee, hot chocolate, fresh-baked cookies, and cold drinks.

If you are planning on taking your students to dinner after the auditions, there is a Subway and a Fuzzy's taco in Argyle, otherwise there are many restaurants to choose from in Denton and Roanoke.

Where to enter the school:

The warm-up/hang out area is in the cafeteria, so if you will park your buses on the south side of the parking lot and have your students enter the building on the south end, they will be right at the cafeteria. The concession stand is also located in that area. Do not drop off percussion equipment here.

Where to drop off percussion equipment:

3A Percussionist will audition on the stage in the auditorium. You may drive around to the north side of the building and drop off your percussion equipment at the loading dock. Equipment will be taken through the garage and onto the stage or holding room, **not** through the band hall.

4A Percussionists will audition in the percussion hall. You may drive around to the north side of the school, continue to drive behind the school, and take your percussion equipment through the double doors directly into the percussion hall.
