Cedar Creek Solo and Ensemble Festival 2009

INFORMATION

Philosophy

This festival offers students in the Cedar Creek Lake and surrounding areas the opportunity to perform a solo or ensemble of their choice for experienced and qualified judges. Participants in this festival receive constructive comments and ratings to help them in their early music career. The festival recognizes achievement by awarding Excellent Performances (Certificate), Superior Performances (Medal), and Outstanding Performances.

Contest Site

The festival will be held at Mabank Intermediate School. MIS is able to offer a large warm-up area, concession area, directors' and judges' hospitality room, and adequate room for student performance. Students are blocked by school and given a 4-5 minute time slot. Schools needing a piano or cassette player will need to provide their own. Accompaniments are not required or recommended for this festival.

Fees

The entry fee for Solos is \$7.00 per person.

The entry fee for Small Ensembles is \$7.00 per person. Small Ensembles consist of groups with 4 members or less.

The entry fee for Large Ensembles is \$25.00. Large Ensembles consist of groups with 5 or more members.

Entry Forms

The entry forms are included in this packet. Be sure to list the name of the student, grade, and instrument. Please be as specific as possible with instrumentation of each ensemble. Titles of pieces are not needed on the entry form. Use of non-UIL/PML literature is welcome.

Entry Deadline

All forms need to be postmarked no later than **Tuesday, February 10**. Entries may be emailed no later than **Wednesday, February 18**. Student times and schedules, as well as more specific information about the festival will be sent to you the week of February 23.

To assist us in organizing the schedule and securing judges, please email (if possible) an approximate number of entries to sakennedy@mabankisd.net by February 6.
