- **HS Clinic and Concert will be the last weekend of December because of UIL Spirit contests**
- **Most dates through January are comparable to last year.**
- **There are MANY conflicts with schools for Concert and Sightreading**
 - Option 1: Have a four day contest in early March. The contest would run from March 2nd - 5th. There is some flexibility with what groups perform on what days, but they must be in conference order per UIL rules.
 - Option 2: Have an early contest for MS bands and 1A bands, and a late contest for 2A/3A/4A bands. The early contest would be on March 3rd and 4th, and the late contest would be on March 31st and April 1st.
 - Many questions were asked about flexibility of performance days and several directors expressed conflicts with both options.
 - Ann wanted to give as much information in advance of the region meeting to help directors understand their options for their vote.
- **The meeting was adjourned at 6:04 pm**
