ATSSB NEWSLETTER

Official Publication of the Association of Texas Small School Bands Volume VIII, Number 3 December, 1998

President's Column

by Ronnie Page

December is a great month for band directors, in fact for all music educators. We band directors are usually finished with the grueling task of performances each week that mark the first two and a half months of the school year. (I know that for some of you football season is just now ending - I have been there and done that too.) However for those of you who finished "on schedule", the month of December brings holiday music, region tryouts, preparation for concert season, and usually some well deserved R&R. I used to love ending the day before the holiday break reading uplifting seasonal music with my high school band. It was always a warm time and set the tone

for the season.

This December is special for ATSSB and TMEA. Much has been written and said about the proposal from the TMEA/ATSSB Blue Ribbon Committee, and now it is time for the "Grand Finale". Enclosed with this newsletter is a ballot for you to mark and return to the ATSSB office. All items were approved by the ATSSB membership last spring, with the exception of the dual membership requirement for ATSSB members. As most of you know, the ATSSB State Board of Directors, (SBOD), directed that the membership be polled by ballot in conjunction with the December newsletter. The SBOD instructed the leadership of ATSSB to take a positive approach in this matter, hoping for final approval.

However, to be certain that the ATSSB membership is never divided over this issue, it was decided a 75% favorable vote would be required for passage. If the advantages of our all-state bands being aligned with TMEA are important to you, then you need to mark your ballot right now and place it in the mail. It is so easy to lay it on your desk and forget it, albeit with good intentions of getting it done. For the sake of all future ATSSB all-state band members, please mark that ballot as soon as you finish reading this newsletter.

Get that ballot right now and keep it in your hand!!

The fall has been a busy one for your ATSSB officers. Don Thoede has been busy with production of the second OPS recording. Region Coordinators have been busy scheduling clinicians, getting entries processed, and answering questions from members. The Area Coordinators are just beginning final plans for area auditions. The all-state clinicians have been busy selecting programs, and John O'Reilly has been busy putting finishing touches on the ATSSB commission. All-state organizers and coordinators are in the process of getting ready for the final auditions, room check-ins and that first rehearsal. Kenneth has busied himself sending out memberships, putting together area packets, answering questions and staying abreast of all. George and I just look on in awe and wonder as it unfolds!

We will elect the future leadership in February, and this is a very critical decision for each of us. Familiarize yourself with the candidates and then be sure to attend the Thursday membership meeting to cast your vote. This is each members chance to influence the future of ATSSB, or let someone else do it for him. Sketches of each member nominated for office appear elsewhere in this newsletter. This is a great start for the 'due diligence' needed to inform you of the office-seekers credentials.

Being an integral part of any organization is a rewarding experience. One cannot help but grow in spirit and in harmony with the association. As I write my last column as your president, mere words cannot tell how much the experience has meant to me personally. I have loved every minute of it. I feel good about those things we did during our time in office. There are so many people I have to thank for their help it would make the newsletter too expensive to print. To make it easy, just pick up the ATSSB membership directory and start at the beginning. Every

member of the association deserves credit for what we have done - not the SBOD or the Executive Committee. Please accept my sincere appreciation for all each of you does and what you give back to music in our schools. Bravo! Mike, Fred, and Don left a great legacy and I only hope the last two years sustained standards they set.

We leave office with ATSSB financially sound, a healthy increase in membership, an additional all-state band, the OPS series, improved relations with TMEA, and most importantly, with George Strickland waiting in the wings. I have grown to love George and Melinda over the past two years, and I know that ATSSB will be blessed with his leadership. George has that levelheaded ability to communicate with everyone, and the respect he garners from all sectors of the music education community will serve ATSSB well. I also know that Melinda will be beside George in his every move, as Jeannie is with Kenneth and Paula has been with me. Our spouses deserve much credit for all they do for ATSSB, and I know that this is true right down to the region level, and even down to every band hall in the state. George, I wish you the best, and enjoy the ride!

President Elect's Column by George Strickland

This is a very enjoyable time of year for bands. Many of our programs have enjoyed holiday music for parades and community concerts. We have seen the success of individual musicians through all-district and all-region auditions. Then there are still the few that have the opportunity to continue to improve their basic marching skills by performing at football play-off games. All of these are enjoyable, especially when we see the excitement in our students' eyes during each accomplishment. Congratulations to all for another successful fall season!

In this newsletter you have found a ballot for you to return to ATSSB. As stated in earlier newsletters, I encourage each of you to vote FOR the affiliation of our association with TMEA. Our membership and students will

gain legal protection when we align our auditions with those of TMEA. Our all-state students will gain equal opportunities as those in other all-state organizations. ATSSB will not lose any of its programs or credibility. Again, I encourage you to vote favorably and to return your ballot.

Posted in the newsletter is the errata for our current year's auditions. You can also find a complete listing of errata on our website which can be printed. Please take time to review the errata with your students. This will save you and the student embarrassment during auditions. Thank you to various ATSSB members that have called Kenneth Griffin or me to point out the errata.

Once again we will have a welcome time for our all-state students in San Antonio. An information packet with maps, restaurant listings, coupons, and pertinent convention schedules will be given to each student. As the students assemble for our pre-audition meeting, the Tuba/Euphonium Ensemble from Texas A & M - Commerce will perform. This is an excellent group that you and your students will enjoy hearing. Their performance will begin at 6:00 P.M. Wednesday evening, February 3rd.

The last two years have been extremely educational for me. I have seen the audition material and its errata up close and personal; I have learned--and will continue to learn--the ropes of ATSSB business from Ronnie, Kenneth, and other ATSSB leaders; I have been involved in the ATSSB/TMEA dialogue; I have listened to nearly 900 new music selections for PML consideration; and, most importantly, I have had the opportunity to visit with many of you about the future of music education for our small school students. I look forward to the next two years. As we move into the new century, I sincerely hope you will continue to be open with me and with the other ATSSB officers as we build on the excellence that has been sustained throughout the first seven years of ATSSB.

Gence Stackland

A letter from Barbara Perkins, President of TMEA

The TMEA Executive Board eagerly awaits the result of your ballot on the proposal to affiliate the ATSSB All-State Bands with the TMEA All-State Bands. The negotiating process has continued for several months since the initial formation of the Blue Ribbon Committee. I would like to express appreciation to Tom SoRelle, Ronnie Page, the Blue Ribbon Committee members, the Dialogue Committee, the ATSSB Executive Committee, and the TMEA Executive Board for all of their efforts to create a proposal that will be satisfactory to all. Both TMEA and ATSSB have so much to offer the students of Texas in musical enrichment opportunities. We are very hopeful that the proposal will be acceptable to the ATSSB members.

I know that Ronnie Page has explained to the ATSSB membership the position of the TMEA Executive Board regarding TMEA membership. While ATSSB deals only with concerns of the band division, TMEA is responsible also for all activities sponsored by the elementary, college, orchestra, and vocal as well as band divisions. Because TMEA is comprised of five divisions, each represented equally on the Executive Board, an exception to the requirement of TMEA membership was not a position the Executive Board felt they could support. In addition, legal counsel advised the Executive Board that TMEA membership must be a prerequisite for liability coverage.

I know that you have been informed of all the details of the alignment proposal which include a joint review following the 2000 TMEA and ATSSB Clinic/Conventions. At that time, TMEA will review its entire All-State structure (including the configuration of the 4A Symphonic Band) as directed by the TMEA State Board during the 1998 Clinic/Convention.

I certainly appreciate the opportunity that your association affords to the band students from smaller school sin our state. You are to be congratulated on providing positive musical experiences at the state level for a multitude of students across Texas.

Executive Secretary's Column by Kenneth L. Griffin

I hope the ATSSB audition process went well for all of you at the region level and that you are looking forward to Area January 9. Be sure when you go to Area that all forms are properly signed and completed - and that after Area you make reservations for your students that were selected for the All-State Bands - and also for yourselves!

A great big "Thank you" is in order to Ronnie Page for his four years of service to ATSSB. He worked tirelessly as President-Elect chairing the State Audition Review Committee - and even more as President these past two years. His term has seen us through countless negotiations with TMEA to bring us to this point in our

relationship. He has a great talent for approaching all things with poise and calmness - and coming up with the wisest path to take. It has been my distinct pleasure to serve under him. He has done so much to nurture ATSSB and to insure its professional and respected growth for years to come. Thank you, Ronnie, for making my job such an easy one! You will be missed. I would also like to take this opportunity to thank Eric Wharton and John Canfield for this last year of service to ATSSB as Class Representatives to the State Board of Directors (they served a one-year term so the positions could alternate in the coming years with Class A and AAA). I know their time was short, but it has been a very busy year for all of us - one which has seen many different aspects of the Association undergoing a gradual metamorphosis to better serve our students.

Much has been said about the proposed ATSSB/TMEA alignment regarding All-State Band. The matter lies fully in your hands now to decide whether we continue as we have in the past or we align our auditions with TMEA for a unified All-State Band audition in Texas. Please consider all of the ramifications, mark your ballot, and drop it in the mail today.

Our 4-Year All-State Band Scholarship Fund stands at \$17,611.41. This increase is from the 116 members who joined after October 1 paying an additional \$25 in dues which went into this fund and from royalties paid by our Licensees. Please make an effort to not only thank our Licensees for their support, but also to use their services!

(Continued on Page 4)

(Executive Secretary's column, continued from Page 3):

A reminder about piccolo and E_{\flat} clarinet: If your flute or clarinet player makes the All-State Band at the Area auditions January 9 and would like to play piccolo (flutes) or E_{\flat} Soprano Clarinet (clarinets), have them bring their piccs/effers to San Antonio. After regular chair auditions are completed for flute/clarinet, we will hold separate auditions for these two instruments for each band from among those students interested in it that were selected for their respective bands. One piccolo and one soprano clarinet may be selected from among the Symphonic flutes and clarinets; also, one piccolo and one soprano clarinet may be selected from among the Concert flutes and clarinets. If no one auditions on these instruments from one, either, or both bands, then the instrument will not be used. A notice concerning this policy will be placed in the flute and clarinet packets they will receive at Area this year if they are selected for the All-State Band.

The State Board of Directors approved a change in the way we handle housing last year and it was a tremendous success - largely because of the organizational skills and hard work of Jennifer Willison - ATSSB State Housing Coordinator.. Each student that opts to stay in ATSSB housing must pay a \$100 housing fee directly to ATSSB (the address will be on the housing form they complete at Area). ATSSB will then pay one check for the hotel rooms up front. If directors were able to reserve a room using ATSSB housing forms, they must pay for the room in one check directly to ATSSB in the amount of \$312 (split any way you can among directors sharing the room with you!). Make sure you include the student name and school (or director's name and school). Remember to take care of this before January 23 or you will lose your reservation!

We plan to hold our ATSSB Business Session in the Scottish Rite Auditorium at 11:30 a.m. on Thursday, February 4. Elections for President-Elect and Class C/CC and Class AA Representatives to the State Board of Directors will be held at this meeting, so I hope you can make plans around the busy activities in San Antonio at that time of year to attend. A short biographical sketch of each candidate for state office can be found elsewhere in the Newsletter.

When you get a chance, be sure to thank our Region and Area Coordinators for their efforts in securing audition sites, hosts, audition chairmen, computer equipment and logistics, etc. Also, let's not forget to thank our State Chair Audition Coordinator (Scott Stephenson of Ballinger) and all of his helpers and the judging panels in advance of the work facing them as the two bands are seated. Our All-State Symphonic Band Organizer (John Standridge of Arp), All-State Symphonic Band Percussion Organizer (Rob Toups of Canton), All-State Concert Band Organizer (Shannon Dow of Happy), and All-State Concert Band Percussion Organizer (Chris McLellan of Glen Rose) still have a job ahead of them! The convention-clinic and concerts will take a LOT of preparation, advanced planning and organization. Rooms have been booked for you and your students, the Scottish Rite Auditorium has been reserved and liability insurance purchased for the time we will occupy it. Arrangements for temporary lighting and police security in the auditorium have been made, stands and percussion equipment have to be provided before chair auditions begin on Wednesday night, programs have to be completed, badges for the students have to be made and personalized, TMEA stickers have to be attached to the badges so the students can go to TMEA exhibits and activities (provided free by TMEA this year), not to mention many other activities taking place in the background as we prepare for the clinic. All of the people involved give so much of their time to make it a success. It would not be possible if it weren't for their dedication to the profession and the students in the All-State Bands who benefit from their efforts.

Don't forget to mark your ballot and drop it in the mail TODAY!

1998 Outstanding Performance Series

by Don Thoede, State Chair

They are here! The 1998 OPS Compact Discs arrived on the 19th of November. You can order today by simply filling out the order form that is in this Newsletter, enclosing your check, and mailing it to the address shown on the form. I know you will enjoy listening to the 1998 OPS State Winners. Those recordings will also serve as a way to compare your band to other bands in your own classification. Remember that the 1998 ATSSB All-State Symphonic and Concert Bands are also on the CD. Congratulations are again in order for the State Winners!

The procedure for the 1999 Outstanding Performance Series will basically be the same way as the 1998 OPS although there will be some changes. The most important changes that will affect

(OPS column, continued from Page 4):

the directors, Region Coordinators, Designated Region Coordinators, and Designated Area Coordinators will be the deadline dates. Please make note of the changes that will appear in the March ATSSB Newsletter so you won't miss the entry deadlines next year. The entry deadline dates will also be on the forms that must accompany the tapes to each level.

I will have the OPS packets ready to hand out to the Region Coordinators at the February SBOD meeting in San Antonio. Those packets will contain all the forms that will need to be copied and mailed to the directors. Each Region Coordinator should try to get all forms mailed by March 15, 1999, if possible.

All band directors should be reminded that although the Region Coordinators are responsible for mailing the forms, it is still the director's responsibility to get the forms. Therefore, if you do not receive your forms in late March, please call your Region Coordinator.

I am looking forward to working with you and the Outstanding Performance Series in 1999. If you need my help, please call me. I will do everything I can to assist you. We want the 1999 Outstanding Performance Series to be the best yet. Remember that you must submit your tapes to make the OPS successful!

I hope you all have a very Merry Christmas and a joyous New Year! I will see you in February.

"It is an honor to be affiliated with ATSSB. Our outstanding organization has made a fantastic impact on music education in Texas in a short period of time, bringing opportunity, organization, fellowship

and union to small school bands in Texas. It is exciting to be a part of this wonderful organization and most importantly, its future. Speaking of the future, music education has its work cut out for the years to come. Bombarded with major issues such as test scores, block scheduling, broken homes, drugs and violence, students everywhere have many opportunities to be distracted in their education adventure. Our influence as band directors is great even when our pay scale is not. Fortunately, we have membership opportunities for organizations like ATSSB, TMEA, and various others that are lifelines of support to us as music educators. It is my goal to seek unity among these organizations to promote the best for bands in Texas."

Reflections on Fall

by Wayne Smith, AAA Representative

Many of us band directors across Texas look back on this past season's marching experience as one of frustration. First, the August heat was relentless with 100 degree plus rehearsals. (I recall us passing a bank thermometer in Mt. Pleasant on our way to our first out of town performance. The thermometer read 105 degrees at 6:00 p.m. That was just before the equipment bus broke down and we had to put all of the instruments, percussion equipment, etc., on the passenger buses. To top it all off, one of the freshmen got sick and threw up!--all at the first game.) Once the heat finally broke, the rain seemed relentless as practices and performances were rained out time and time again. We lost 9 days of practice and three performances this season. Wow, that's a record I hope to not repeat. The closer we got to our contest deadlines the more panicked we became. And on contest day --"If we just had another week"--- was the phrase of the day.

However, as usual, all of you--my colleagues--conducted this season with grace, class, and a spirit of camaraderie which, I'm sure, exists in no other profession.

Condolences to those of you who are still in playoffs. Remember that more folks will see your bands in these games than perhaps at any other time of the year. These are the opportunities to do some great public relations work. Play the fight song more than usual. Spell out something on the field. (Moms and Dads will love it!) Dedicate a show to a special fan. Dividends will be great and it might help our attitude about doing marching band in December. Marching band in December--now THAT'S an oxymoron. (I actually thought that I might write a short article on ensemble skills of the pep rally band, but found it entirely too frustrating and difficult.)

As I prepare my own students for all-region auditions and our own chair placement auditions, I am thankful, once again, for our Association and the terrific musical selections which we are able to use for these auditions. For the past several years, I have used cuts from the ATSSB prescribed auditions materials for my own students' chair placement auditions for our concert bands at White Oak. In doing so, I'm able to go deeper and deeper into this music each year as more and more students are able to play more and more of the music. As more of our own students realize that they can learn all of this music and all of these scales, more and more are auditioning for the All Region bands. I see the playing abilities of my own students getting better each year. I'm sure that this is happening all across the State. Consequently, small school bands are becoming better--each region's All Region Bands are growing stronger each year with healthier and healthier participation--and, of course, our All State Bands are surpassing themselves in excitement and ability each year. What an incredible process for our students!! It encourages the weakest to the strongest players in all of our bands.

Congratulations to all of you for your leadership and successes with your marching bands. Best wishes to you and your students as they put finishing touches on all region audition materials. Remind any of your students who have a chance at the ATSSB Four Year All State Scholarship that this is money which we love to give away!! And finally, say something nice to a student who does not expect it.

Wayne Smith
