President's Column by George Strickland

SLET

Here in our December Newsletter you should find updated information concerning our gathering in San Antonio for the year 2000 All-State Bands. We are going to have a great week with our all-state students, clinicians David Holsinger and Jack Delaney, ATSSB-sponsored clinic and concerts, and the time of fellowship and sharing among other professionals and members.

George Strickland

I hope your region band auditions have gone well. It is such a benefit for our bands that students prepare the audition material. Each of your students becomes a better player, which in turn makes your band a better, stronger band. Keep encouraging your students to prepare the selected etudes vearly.

Several university music departments are assisting the preparation of our students for their auditions. Two to mention are Howard Payne University and Texas A & M University-Commerce. Last September, HPU director Rob Tucker, with the help of ATSSB Region VII Coordinator Scott Stephenson, provided a full day of clinics which covered the tryout music, preparation for auditions, and audition room techniques. Music professors from Howard Payne University and Angelo State University gave up their day to present the clinics without even mileage being paid. The students learned much and had a great experience to put them on the road for auditions. In the middle of November, Texas A & M-Commerce hosted their 44th annual Junior-Senior Honor Band weekend. Students gathered to audition for one of the four honor bands on Friday afternoon. While waiting for results, the students were presented concerts by the Tuba-Euphonium Ensemble, University Jazz Ensemble, and the University Wind Ensemble with guest conductor David Holsinger. Early Saturday morning, clinics were presented

by the University Music Department professors on the ATSSB and TMEA audition materials. After the remainder of the day in rehearsals, the honor bands presented a concert for parents and friends; entertaining between bands was the TAMU-C Steel Drum Band. Band Director Bobby Francis and his staff, along with university student members of Tau Beta Sigma and Kappa Kappa Psi, provide a wonderful service and experience for our students. As members of ATSSB and TMEA we are appreciative to each of these universities--and any others--that recognize the opportunities that can be gained for both the high school and university band programs by providing audition clinics to our students.

We are proud to announce two exciting events that will occur during the TMEA/ATSSB convention in February. First, a concert will be presented for our all-state students by the Steel Drum Band of Texas A & M University-Commerce. Under the direction of Percussion Instructor Brian West, the ensemble will begin their concert at 6:00 P.M. on Wednesday evening in the Scottish Rite Auditorium. Secondly, ATSSB will sponsor a clinic during the TMEA convention which will be presented by Deanna Sabota. Deanna is a low brass clinician with the Getzen Corporation who is currently working on her doctorate in tuba performance. She has a great program that can be brought into your intermediate or junior high schools to help recruit low brass players, especially girls. I encourage you to plan on attending these two events during the February convention. Both will be well worth your attendance.

Region alignment is a topic of which you should be aware. Articles concerning realignment have been printed in the TMEA magazine and the UIL Leaguer. The alignment review committee met last October and prepared a timeline to implement any new alignment that will effect our state music competition. ATSSB Past-President Ronnie Page is a member of the joint appointed UIL/TMEA Committee. He will appreciate any input and concerns that you have about realignment. As always, the best method of expressing your concern or input is to put it in writing and send it to Ronnie.

Auditions and certification to Area should be completed by now. Thanks to all of the Region Coordinators that serve our organization by preparing and running the region auditions. Thanks also to the Area Coordinators that are now working to organize the upcoming state auditions at our five areas. Good luck to each of your students as they strive for the ultimate all-state experience.

Housing for the TMEA/ATSSB convention will be filling up rapidly. If you have not already made plans, please do so immediately. You might want to consider serving as a hall monitor in the Emily Morgan for our all-state students. Contact Jennifer Willison if you are interested. Please be sure to attend our ATSSB General Membership meeting during the convention. Several presentations will be made during the meeting, along with reports from the State Board, SARC, and other active committees. Let me remind you that door prizes will be awarded, too.

Remember the reason that we have this holiday season. Have a great, restful holiday. Get away from your band hall and enjoy time with family and friends. Begin that first day of classes in 2000 with great enthusiasm. You and your students will benefit from it. See you in San Antonio.

President Elect's Column

by Gary Robbins

Have you ever made this statement: "I never have enough time to get everything done."

Do you realize time is neutral in the events of life? Actually, how time is perceived by the individual depends upon how time is used. Time is what you choose to make of it. We tend to blame the stress we have in our lives on time, when in reality it is our poor use of time that causes our stress. Dr. Michael G. Skinner, in his article "The Relationship Between Stress and Time," states: "Time or its absence cannot cause stress in an individual, but an individual's perception of time can often be a major cause of stress."

When you tell someone that you did not have enough time to get a task done, you are actually telling him that you did not make good use of your time.

For example, all of us knew that October 1st was the deadline to get an ATSSB membership for only \$25. Kenneth tells me that we have over \$2500 added to our scholarship fund because some directors did not get their requests in on "time." ATSSB would like to thank those who did not have the "time" to fill out their papers.

Now Kenneth is telling me that it is "time" to have an article for the newsletter. Doesn't he realize that I do not have the "time" to sit down and put my thoughts in order? It is also "time" to have all of the all-region entries done, make an activity deposit, check fund-raising envelopes, work up four purchase orders, hand out Christmas music, schedule practices around basketball tournaments, take up all the marching equipment, have auditions for the splitting of bands, locate the concert band folders, figure out how I am going to march in a Christmas parade with the whole band wanting to be somewhere else, go to band booster meetings, copy Christmas music, and take a CPR class. I am not including the tasks my wife wants me to have "time" to get done. I will never have enough time to get all of this done. Or what I should say is, "I must not be making good use of my 'time.' I feel stressed."

I hope that you will have the "time" to listen carefully to the all-region music. I have been notified of some possible errors. Make sure that you understand that any errors found now will not go into effect this year. Put your concerns in writing and

get them to one of the SARC members. The members' names are listed in the September newsletter. If you have concerns and do not take the "time" to put them in writing, the SARC committee will not review them.

The "time" has come for me to finish my article. And "time" or no "time" it is still a pleasure serving this great organization. Let us all try to make "time" in our busy schedules to reflect on our blessings during this season. My wish for you this holiday season would be that you will have enough "time" to get all of your tasks done so that you will not be as stressed as I am! Thank you for your support.

Executive Secretary's Column by Kenneth L. Griffin

Kenneth Griffin

I hope the ATSSB audition process went well for all of you at the region level and that you are looking forward to Area January 8. Be sure when you go to Area that all forms are properly signed and completed - and that after Area you make reservations for your students that were selected for the All-State Bands - and also that vou have housing plans yourself!

I would like to take this opportunity to thank Shannon Dow and Wayne Smith for their two years of service to ATSSB as Class A and Class AAA Representatives to the State Board of Directors. It is a time-consuming but necessary role that they played as the Executive Committee of which they are a part has tried to accommodate the needs of students and their directors over the past two years.

As we approach the clinic in February, we will have completed one year under an alignment with TMEA regarding auditions for the All-State Band. While there are certainly 'bobbles' that occur in the alignment, the process will be under review by both TMEA and ATSSB and a decision made to amend the process, continue another two years, or abandon it. Please be considering your feelings regarding the alignment, as I am sure a referendum from the membership will be required for any change in the alignment. This referendum could take place at the General Session in San Antonio in February or in a mail ballot in the spring with the March Newsletter. Please watch for details.

Our 4-Year All-State Band Scholarship Fund stands at \$25,056.55. This increase is from the 125 members who joined after October 1 paying an additional \$25 in dues which went into this fund and from royalties paid by our Licensees. Many thanks to those 125 for their contributions! But please make an effort to not only thank our Licensees for their support, but also to use their services! These companies have paid a fee and are under contract to use the ATSSB logo and marks on their products and they pay a portion of their receipts to the ATSSB 4-Year All-State Band Scholarship. Please use them before any other companies offering their products: Southwest Specialties (Freddy Butlar - Midlothian) = T-shirts, caps, plaques, etc.; Probst Audio (Scott Probst - Ennis) = recordings of concerts on tape or CD; Concertronics (William Collins - Victoria) = recording of concerts on tape or CD; Jordan Sound Productions (Gary Jordan - Leesburg) = recording of concerts on tapes or CD and ATSSB Area etude performance tapes; Made To Order (Larry Wood - Lorenzo) = T-shirts, caps, plaques, etc.

A reminder about piccolo and Eb clarinet: If your flute or clarinet player makes the All-State Band at the (Continued on Page 4) (Executive Secretary's column, continued from Page 3):

Area auditions January 8 and would like to play piccolo (flutes) or E_{b} Soprano Clarinet (clarinets), have them bring their piccs/effers to San Antonio. After regular chair auditions are completed for flute/clarinet, we will hold separate auditions for these two instruments for each band from among those students interested in it that were selected for their respective bands. One piccolo and one soprano clarinet may be selected from among the Symphonic flutes and clarinets; also, one piccolo and one soprano clarinet may be selected from among the Concert flutes and clarinets. If no one auditions on these instruments from one, either, or both bands, then the instrument will not be used. A notice concerning this policy will be placed in the flute and clarinet packets they will receive at Area this year if they are selected for the All-State Band.

We will continue our hotel reservation practice under the direction of Jennifer Willison, ATSSB State Housing Coordinator. Each student that opts to stay in ATSSB housing must pay a \$100 housing fee directly to ATSSB (the address will be on the housing form they complete at Area). ATSSB will then pay one check for the hotel rooms up front. If directors are able to reserve a room using ATSSB housing forms, they must pay for the room in one check directly to ATSSB in the amount of \$324 (split any way you can among directors sharing the room with you!). Make sure you include the student name and school (or director's name and school). Remember to take care of this before January 29 or you will lose your reservation!

We plan to hold our ATSSB Business Session in the Scottish Rite Auditorium at 11:30 a.m. on Thursday, February 10. Elections for Class A and Class AAA Representatives to the State Board of Directors will be held at this meeting, so I hope you can make plans around the busy activities in San Antonio at that time of year to attend. A short biographical sketch of each candidate for state office can be found beginning on page 6.

When you get a chance, be sure to thank our Region and Area Coordinators for their efforts in securing audition sites, hosts, audition chairmen, computer equipment and logistics, etc. Also, let's not forget to thank our State Chair Audition Coordinator (Scott Stephenson of Ballinger), State Chair Audition Office Manager (Louis Thornton of Abilene Christian High School), and all of their helpers and judging panels in advance of the work facing them as the two bands are seated. Our All-State Symphonic Band Organizer (Shannon Dow of Happy), All-State Symphonic Band Percussion Organizer (Chris McLellan of Glen Rose), All-State Concert Band Organizer (John Standridge of Arp), and All-State Concert Band Percussion Organizer (Rob Toups of Canton) still have a job ahead of them! The convention-clinic and concerts will take a LOT of preparation, advanced planning and organization. Rooms have been booked for you and your students, the Scottish Rite Auditorium has been reserved and liability insurance purchased for the time we will occupy it. Arrangements for temporary lighting and police security in the auditorium have been made, stands and percussion equipment have to be provided before chair auditions begin on Wednesday night, programs have to be completed, badges for the students have to be made and personalized, entertainment for All-State students prior to the general meeting arranged -- not to mention many other activities taking place in the background as we prepare for the clinic. All of the people involved give so much of their time to make it a success. It would not be possible if it weren't for their dedication to the profession and the students in the All-State Bands who benefit from their efforts.

A quick word about the ATSSB Website (http://www.atssb.org): We have a wonderful site that is professionally designed, implemented and maintained by our volunteer Webmasters - Tim Edins and Dr. Wayne Clark of Hamilton. It provides not only worldwide visibility for ATSSB, but also a cast resource of information from which all of us benefit. The Job Board was extremely helpful (and appreciated not only by the applicants seeking employment, but the schools seeking directors!) and the Chat Board a vibrant springboard for discussions regarding our work together for the good of small-school bandsmen across the state. While we were not without a few bumps in the stream of consciousness with our discussions, it has always rebounded to a level of professionalism that we can all admire as we continue to voice our opinions anonymous or not!). Thank you, membership, for your continued vigil of professionalism.

Since this will be our last communication before San Antonio, let me address those of you who will have students in the All-State Band. Please remember that many are in the "big city" for the first time so, along with those students who are familiar with San Antonio, they will need frequent contact with you to allay their fears and keep them focused on their role as they represent not only ATSSB, but also their home bands, school, and community. Drop by rehearsals often, especially at breaks, to see that they have a place to go and that they know what they may do in their free time. It also helps to have directors observing rehearsals at all times. Not only do we learn good rehearsal techniques from our fine clinicians, but also we can act as a restraining presence to students who might otherwise allow their attention to drift during rehearsals! There is certainly nothing wrong with leaning over a student with a cap on and quietly asking him or her to remove it -- or watching a section and noticing a student talking in a distracting manner and quietly asking them to stop. Our Organizers are with the band almost constantly, but we cannot expect them to be there every minute nor expect them to see every infraction of rehearsal protocol. Try to drop by and give a listen -- and a hand!

Our corporate supporters are so consistent in their desire to help. Caldwell Music has provided our All-

(Continued on Page 5)

(Executive Secretary's column, continued from Page 4):

State programs every year since inception. This is a considerable expense, but they are quick to reply that they would like to continue to provide this service when asked. Fruhauf Uniforms also is continuing to provide the All-State shoulder patch each year. Pender's Music Company is a new source from which we purchase our All-State music (at a discount, I might add); they also copy and collate the Area folders and State Chair Audition judges' folders. Bill McMath and Richard Gore are gracious in their help and professional in their service. Several fund-raiser companies provide refreshments for the students during their breaks and some companies provide "survival kits" at times (coupons, pencils, notebooks, etc.); they will be recognized along with Caldwell Music, Fruhauf Uniforms, and Pender's Music in the programs. I just wanted to say an additional "Thank You" to these three for their contributions to the continued success of the ATSSB All-State Band.

See you in San Antonio!

1999 Outstanding Performance Series by Don Thoede, State Chair

The 1999 Outstanding Performance Series compact disc will be available for purchase any day now. If you wish to purchase a CD, you will need to contact Avant Recording, the official distributor, at P.O. Box 1513, Forney, Texas 75126. The telephone number is 972-564-3287. The cost is \$10.00. Remember that a CD of the 1999 All-

State Symphonic and Concert Bands is also included in the purchase price. You can find an order form on page 9. I want to remind the winners and runners-up of the 1999 OPS that your presence at the General Session of ATSSB at 11:30 a.m. on Thursday, February 10, 2000, at the

Scottish Rite Auditorium is strongly encouraged. Each of you will be presented with an award for your accomplishments. Please notify me a few days before the meeting if you cannot be present! Keep in mind that this award will be presented to you and not to your band or to your school.

The directors who will be presented with an award are: Jimmy Wiggins, Luis Zepeda, Michael Marsh, Brenda Tanner, Perry Dornbush, Rodney Bennett, Bill Rotter, Gary Beach, David Ingram, Elmer Schenk, Darin Jolly, Fred Pankratz, James Coffman, Manuel Martinez, Tony Gibbs, and Pat Autry. I am looking forward to the awards presentation.

I will be handing out new 2000 OPS packets to the State Board members at the State Board meeting on Thursday, February 10. All Region Coordinators will be asked to

reproduce the information and mail out all pertinent information in early March to the directors in their regions. Any director who does not receive 2000 OPS entry forms from their Region Coordinator by March 15 should contact his/ her Region Coordinator. The entry deadline date for the directors to their Region Coordinators is May 20, 2000. I will discuss OPS entry forms and deadlines in greater detail in the March Newsletter.

The 1999 Outstanding Performance Series was a real success. I cannot say it enough that the reason for the success is due to the leadership of the Region and Area Coordinators and all of the directors who served as judges at the Region, Area, and State levels. The success of the 2000 OPS will also depend on the leadership of the Region and Area Coordinators and the willingness of the directors to serve as judges. When you are called to assist with the 2000 OPS, please remember that its success depends on you!

I hope you all have a safe and joyous holiday season and a happy and prosperous New Year!

The Canton High School band program offers marching band, concert band, and jazz band. Students participate in all ATSSB and UIL activities including Region Area, and State auditions as well as regional and state solo-ensemble competitions.

'Having students involved in all these areas gives me experience and insight into the challenges of preparation and participation small school band directors and students face. It is my wish to serve my age 9) (Nominee biographies, continued from Page 8):

fellow Texas band directors as the Class AAA Representative to the ATSSB State Board of Directors."

Joe Woodson is the band director at Gladewater School, a class AAA school in Region IV. His wife Robin teaches third grade at Harmony Elementary School. They live in Gilmer with their two sons: fifteen-year-old Grant who plays trumpet in the Gladewater High School Band, and eleven-year-old Collin who plays percussion at Harmony Middle School. They belong to the First United Methodist Church in Gilmer where he is involved with the music ministries as Orchestra Director, sings in the Chancel Choir, and serves on several church committees.

He is a member of ATSSB, TMEA, TBA, Four States Bandmasters Association, the Texas Municipal League, and the State Firemen and Fire Marshals' Association of Texas. He graduated from Bonham High School in 1977 and East Texas State University in 1981. He taught in several schools across East Texas including 1A, 2A, 3A, and 4A. Bands under his direction have earned several UIL Sweepstakes awards, performed at the UIL State Marching Contest in 1991 and 1993, was named Area C Class A Honor Band in 1992 and 1994, his junior high band was TMEA Region 4 Class BBB Honor Band in 1996 and they also performed at the NAMMB Contest at Texas A&M as well as being named Outstanding Band in competitions in Texas, Florida, and Colorado.

"I am honored to be nominated for this position by the members of Region IV. If the membership elects me Class AAA Representative, I hope to continue the fine work that former representatives started."

NOTE: There are seven students eligible to receive the ATSSB Four-Year All-State Band \$1,000.00 Schol...>ar...>ship if selected to the ATSSB All-State Band this year.

The last donations to the fund from Regions were received last January (Region 21, \$1,000) and last February (Region 1, \$500). Please see if your region has any discretionary funds available at the end of the year and consider making a donation to the Scholarship Fund. The increased numbers making All-State since we added the second band makes the possible scholarship recipients increase with each year. Remember also that donations to the Fund are tax-deductible should anyone wish to contribute individually.
