Go to the **Create a Room** section. Select Chaperone. Click **GO.** Enter your TMEA Member ID. You can enter other TMEA IDs or non-member names for this room.
Click **Create Room**.

One chaperone room per division per school is allocated. TMEA will place at least one chaperone from a school district in the same hotel housing students from that district.

*Note: If another director entered your students, and you aren't sharing their chaperone room, **create your own chaperone room!** A room will not be assigned for you.*

Print Your Room List
Go to **My Room List** and use your browser Print to print this page for your records. You will be notified by Jan. 20 of room assignments. **Log Out of My TMEA.**

Don't Lose $50!
When you submit your chaperone room via All-State Housing, a room will be reserved for you. If you previously made a reservation through the TMEA housing system, you **must cancel it by January 14** or you **will be subject to a $50 cancellation fee.**

Room Planning—Complete *before* January 12!

1. Work with other directors *before January 12* to plan rooms, each with four students.
2. Decide who will enter these rooms on January 12–13, and take this page home to complete that entry.
3. Log in January 12 to enter students into rooms and provide billing information.

The housing system will allow you to select students assigned to you, or, from your campus, your district, Region, or Area. To select students other than yours, obtain agreement from their directors (their contact information will be listed with their students in the housing system). **The system does not automatically create chaperone rooms. See the other side for details.**

Hotel Assignments

TMEA will create reservations for the students and chaperons submitted in the **Hyatt Regency Hotel**.

The maximum base rate (not including taxes) in this hotel is $200 per room per night. When you receive room reservation confirmations from TMEA, they will specify this hotel, its room rate, and the total amount that will be due.

Combine Students for 4-Person Rooms

If you are working with other directors to fill rooms, agree on who will enter the room and document who will be housed together to help facilitate that entry to the housing system. You will need the Member ID of each student's hotel chaperone (or enter 0 for non-members).
